

We don't wanna go  
But French, we all know  
This is not our time  
It's time to say goodbye  
Until we meet again  
Cause this is not the end  
You will come to us  
When our paths meet up  
French are kissing and Catalans  
hugging

When you arrive, then we will be  
there  
**Cause we do care about you all**  
**Cause all we want is to be here**  
**And all we care about is you**  
**You're stuck on us like a tattoo**  
**We know it's really really hard**  
**We'll wait for you until the 8th**  
**Just to get closer to you**  
**You're stuck on us like a tattoo**
