

About

OUR SCHOOL

Located in the middle of the Austrian Alps, our school is home to over 500 students aged 10 to 18. Younger students choose a path in natural sciences, languages, economics or soccer. Older students build on these choices, with the option of specializing further or concentrating on musical education.

OUR ERASMUS+ JOURNEY

We began our Erasmus+ journey in 2022 and are proud of the international partnerships and experiences we have built so far.
Located just one hour from the beautiful city of Salzburg, we would be delighted to collaborate with your school and establish a new partnership.
